In addition, the Agency will actively support events (e.g. workshops, fairs) organised by the national safety authority (and/or the railway sector) and involving the key players at national level, with the aim of providing more in-depth information to the rail sector on the implementation of the 4RP.

3. Newsletter editions

The Agency will issue Newsletters quarterly to tell the story behind its activities.

The publishing format may vary depending on the future use of social media. The intention is to use LinkedIn and the website for publishing articles and stories which should normally be part of the newsletter as traditionally intended at the Agency. In case of use of social media, the timing of the publication may be different.

4. Other publications
In 2019 the Agency will publish:

- *The ERA Annual Activity Report*
- *The ERA Single Programming Document*

Publications (e.g. brochures) supporting the different events might be produced along with the upcoming events, accompanied by the necessary budget.
