Consolidated Annual Activity Report 2021

Explanatory note

In line with Article 51 § 1 point (a) of the Agency Regulation, an annual report for the previous year should be adopted by the Management Board and sent to the European Parliament, the Council, the Commission and the Court of Auditors by 1 July each year and made publicly available.

On May 17, the Executive Board (EB) discussed the Agency's Consolidated Annual Activity Report (CAAR) for the year 2021. All EB members had the opportunity to comment the text and propose amendments, either prior to the meeting or spontaneously during the meeting. Their comments have been addressed by the Agency and, when applicable, implemented in the updated draft CAAR sent to the Management Board.

The publication of the CAAR 2021 will be accompanied by a fact sheet, building on the success of a similar document developed last year.
