

ERA cloud migration campaign: Your collaboration is needed

You may have received an automated e-mail from Microsoft (see picture below) because you are in the Contact Database of ERA – the European Union Agency for Railways. This is not a phishing email.

The Agency is upgrading its IT environment to a new cloud version: this will improve our future professional collaboration.

If you accept this invitation, you'll be sent to <https://srm-portal.powerappsportals.com>.
