CCRCC 2019 Workshop – 15/10/2019

OCORA in a nutshell

Open CCS On-board Reference Architecture

5 founding members

March 2019 : Memorandum of Understanding.

**October 2019** : OCORA Governance in place with a Steering Committee.

OCORA is a **collaborative platform gathering engineering resources** working on **ERTMS and beyond**

| OCORA IS…	OCORA IS NOT…
Open Cooperation	Not a Representative Body/Organisation
A set of public specifications	Not a product
For the On-board CCS	Not for Trackside CCS

OCORA is ready to publicly deliver

OCORA in 5 words

- Openness
- Modularity
- Evolvability
- Simplification
- Independence

OCORA
