NA			

Title/Function (you or your close family members)	Period of activity (within past 5 years)	Company or organisation	Description of the activity (including contracts with the Agency, as well as Products, Projects, and/or Activity references as per the Agency Programming Document)
5. Other membership or affiliation			
Member	2021 - present	UIC Working Group GLCN (Global Level Crossing Network)	GLCN addresses those tasks in the field of level crossing safety as they affect operation of the rail system. GLCN brings together key stakeholders in order to exchange information and provide experience and lessons for improving the management of the “at-grade road/rail interface” (level crossings). GLCN is to provide a network that drives a closer working relationship between all the key players (road, rail, law enforcement, town planning, etc.) involved in the road/rail interface and facilitate the core aim of learning from each other and sharing research findings. Core to the building of these relationships is the development of joint strategic and action plans that use common initiatives and goals to drive down the overall level of risk.
Member	2021 - present	UIC Working Group TreSP-Network (Trespass and Suicide Prevention)	TreSP-Network is an international platform to exchange best practices as regards Trespass and Suicide Prevention-related issues, propose Trespass and Suicide Risk Assessment methods to identify risks and implement measures to prevent those risks from causing casualties, issue guidelines to help the railway industry to select effective interventions when tackling rail trespass and suicide prevention, aware the public of the dangers at and around railway tracks, promote safe behaviour by all users at and around railway tracks, promote international events on the themes “Trespass and Suicide Prevention”.
